PROGRAMME

Dear Members,
Dear Sir or Madam,

ICC Switzerland celebrates this year its 100th anniversary. On behalf of our Chairman Thomas Wellauer, I am pleased to invite you to our anniversary celebration at Baur au Lac in Zurich on 27 June 2022.

Our **guest of honour, Federal Councillor Guy Parmelin**, will join us and present an overview of Switzerland's position in the global economy in turbulent times. Concerns regarding inflation, supply chain security, energy security and the integration of Switzerland into a changing global economic order will be main topics.

Before the anniversary celebration, we are organising a workshop which will focus on the topic "Contracts & Arbitration in Times of War" with sub-topics such as sanctions, force majeure, travel restrictions, order public and enforcement of awards. Exchange your views and experiences with our experts!

We look forward to seeing you in June. Our event is open to representatives of members of ICC Switzerland, delegates in general and our contacts and friends. Please feel free to forward this invitation to colleagues. Non-members are also welcome. Registration is compulsory. Places are limited.

Yours sincerely,

Thomas Pletscher
Secretary General
